Pennsylvania.

PREFACE.

IN the preparation of the present volume, the author has had in view but one simple object, viz., to show the happy influence of religion upon its possessor, and upon those around him.

Many of the incidents have come under his own observation; and he trusts that none of them are inconsistent with the reality, and that their

recital may stimulate many to attend to the admonition of the wisest of all men, "Remember thy Creator in the days of thy youth."
